

Certificate of constancy of performance

1358 – CPR – 0144/2

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

TRAFFIC SIGNS

are traffic control devices installed permanently for the information, guidance, warning and direction of road users.

Placed on the market under the name or trade mark of

**Highway Safety Developments Ltd.
Knocktopher
Country Kilkenny
Ireland**

and produced in the manufacturing plant

**Highway Safety Developments Ltd.
Knocktopher
Country Kilkenny
Ireland.**

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 12899 - 1: 2007

under system 1 for the performances set out in this certificate are applied and that the factory production control conducted by the manufacturer is assessed to ensure the

constancy of performance of the construction product.

This certificate was first issued on 12 November 2015 and will remain valid as long as neither the harmonized standard, the construction product, the assessment and verification of constancy of performance methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified product certification body.
